It is recited that the artists condemn this action, and that they are in harmony.

Judges Not Artists.

"This statement needs but one qualification," the committee continues."
"There is one person in the state whose purpose seems to be to create discord among the artists of Utah. The artists, however, do object to the action of the governing board in selecting as awarding judges persons who are not artists and are not qualified to perform the duties required in their position."

The action of the judges is declared "upprecedented," and done in "an arrogant and insulting way." An opinion

It is admitted that two of the members of the exhibition committee had paintings entered, but it is declared that "the committee fairly and conscientiously considered the merits of the paintings."

Superintendent Noble Denies Loss of Life in Lucin Quagmire.

Scrofula manifests itself in many ways. Swelling of the glands of the neck and throat, Catarrh, weak eyes, white swelling, offensive sores and ab-

scesses, skin eruptions, loss of strength and weakness in muscles and joints.

It is a miserable disease and traceable in almost every instance to some family blood taint.

Scrofula is bred in the bone, is transmitted from parent to child, the seeds are planted in infancy and unless the blood is purged and purified and every atom of the taint removed Scrofula is sure to develop at some period in your life.

Scrofula appeared on the head of my little grandchild when only 18 months old, and spread rapidly over her body. The disease next attacked the eyes and we feared she would lose her sight. Eminet physicians were consulted, but could do nothing to relieve the little innocent. It was then that we decided to try S. S. S. That medicine at once made a speedy and complete cure. She is now a young lady, and has never had a sign of the disease to return.

MRS. RUTH BERKLY, Salina, Kan.

some period in your life. No remedy equals S. S. S. as a cure for Scrofula. It cleanses and builds up the blood, makes it rich and pure, and under the tonic effects of this great Blood Remedy, the general health improves, the digestive organs are

strengthened, and there is a gradual but sure return to health. The deposit of tubercular matter in the joints and glands is carried off as soon as the blood is restored to a normal condition, and the sores, eruptions, and other symptoms of Scrofula disappear. S. S. S. is guaranteed purely vegetable and harmless; an ideal blood purifier and tonic that removes all blood taint and builds up weak constitutions. Our physicians will advise without charge, all who write us about their case. Book mailed free.
